

INDIVIDUALIZED EDUCATION PROGRAM

The Charter LEA Governing Board desires to provide educational alternatives that afford students with disabilities full educational opportunities. Students with disabilities shall receive a free appropriate public education and be placed in the least restrictive environment which meets their needs to the extent provided by law.

The Charter Chief Executive Officer or designee shall implement the SELPA-approved procedural guide that outlines the appointment of the individualized education program (IEP) team, the contents of the IEP, and the development, review, and revision of the IEP.

Note: Education Code 56055 provides that a foster parent, to the extent permitted by federal law, shall have the same rights relative to his/her foster child's education as a parent/guardian. Education Code 56055 clarifies that this right applies only when the juvenile court has limited the right of a parent/guardian to make educational decisions on behalf of his/her child and the child has been placed in a planned permanent living arrangement. Education Code 56055 defines "foster parent" as a licensed person, relative caretaker, or non-relative extended family member.

To the extent permitted by federal law, a foster parent shall have the same rights relative to his/her foster child's IEP as a parent/guardian. (Education Code 56055)
